As our national, state, and local governments continue to do everything in our power to save lives and stop the spread of COVID-19, today Governor Tom Wolf and Secretary of Health Dr. Rachel Levine revised their "Stay at Home" orders to include Beaver County. The Order will take effect at 8:00 PM Saturday, March 28, 2020, and will continue until April 6, 2020.

Beaver County's inclusion in Governor Wolf's "Stay at Home Order" was welcomed, and in fact requested by the Board of Commissioners, due in part to the County's large number of high-risk citizens. In an attempt to do its part in achieving the objectives of the Governor Stay at Home Order, the Beaver County Board of Commissioners, in conjunction with the President Judge, have decided to move to an essential skeleton staff only effective immediately.

As such, the Board of Commissioners are imploring their fellow residents to abide by the Governor's Order, and continue to practice social distancing. The Governor's Order is an effort to stop the spread of COVID-19, and in doing so, save lives.
